WHY: For more than 30 years, **Marlene Scholze** of Bloomfield, a direct care professional who works with adults with intellectual disabilities at Pittsburgh Mercy Intellectual Disabilities Services' Alternative Training & Employment Center in Bloomfield, has volunteered her time to place U.S. flags on the graves of veterans at [Allegheny Cemetery](#). Marlene and her supervisor, **Jeff Bisdee**, thought that decorating the graves would be a great way for adult individuals in their program to volunteer and participate in a meaningful community service activity. [Pittsburgh Mercy Intellectual Disabilities Services](#) serves more than 500 adults who have intellectual disabilities and their families/caregivers annually.
