About Pittsburgh Mercy

[Pittsburgh Mercy](#) is a person-centered, population-based, trauma-informed community health and wellness provider. It is the region's only Certified Community Behavioral Health Clinic (CCBHC) and Integrated Community Wellness Center. We reach out and offer help – and hope – to some of our community's most vulnerable populations: people who have physical and behavioral health challenges; intellectual disabilities; and people who are experiencing addiction, homelessness, abuse, and other forms of trauma. Our mission is to be a compassionate and transforming, healing presence within our communities. Pittsburgh Mercy is a member of Trinity Health and serves in the tradition of the Sisters of Mercy. With annual operating revenue of \$110 million, Pittsburgh Mercy is one of the largest health and human service nonprofit organizations and employers in Southwestern Pennsylvania. We serve more than 33,000 people annually in 60+ locations and employ 1,200 colleagues. For more information or to make a donation in support of our mission, visit www.pittsburghmercy.org.
